WELCOME TO

EDINBURGH RUGBY BUSINESS CLUB

The Edinburgh Rugby Business Club provides members with regular opportunities to network and build relationships with like-minded senior business people across the city at every Edinburgh home game.

The match day experience and atmosphere for all fans is key for Edinburgh Rugby and our Business Club and Hospitality facilities are an integral part of this. Our lounges create a relaxed and comfortable environment in which to invite guests and clients alongside other professionals.

Edinburgh Rugby Business Club Members have access to Edinburgh Rugby's Guinness PRO12 and European Cup home pool fixtures, where they can entertain guests, reward staff or enjoy the rugby with friends and family.

The club also hosts a range of events outside match days to encourage networking within our membership and to give members and their guests an insight into life behind the scenes in a professional sporting environment. Previous events have included an opportunity to rub shoulders with the coaches and players to discuss their aims for the forthcoming season, an evening with our Scotland players ahead of the Six Nations and a chance to enjoy a relaxed tasting evening in the company of fellow professionals.

2016/17 has been a momentous season for Edinburgh Rugby, after launching a trial move to Myreside from January 2017. The move has taken the club back to its roots and has created a better, more intimate match night atmosphere for the players and fans.

We also continued to strengthen the squad with former Guinness PRO12 winners Duncan Weir, Glenn Bryce and Kevin Bryce joining the squad along

with Olympic Gold Medalist Viliame Mata. The young playing group is ever-improving, Simon Berghan, Allan Dell and Cornell du Preez have won their first cap for Scotland and Academy player Murray McCallum has signed his first professional for the upcoming 2017/18 season.

Edinburgh Rugby is taking further positive steps ahead of next season by signing two-time Guinness Premiership winning head coach Richard Cockerill. New additions also include Mark Bennett, the Scotland 7s internationalist and Olympic Silver medalist, who will add experience and firepower to our backline.

Become an Edinburgh Rugby Business Club Member today and secure your front row seat for the new season.

Events include:

- An opportunity to meet the new Head Coach, Richard Cockerill, in pre-season and hear about his plans for the squad | **August 2017**
- A brand experience evening with one of our key sponsors alongside our players and coaches | **September 2017**
- 6 Nations Preview is back for an insight into the team and hear from some of our Scotland Internationalist | **January 2018**
- Behind the scenes with Edinburgh Rugby when one of our coaching team gives you an insight into their specialty skill | **April 2018**
- Additional events will be added throughout the year.

We look forward to welcoming returning and new members to an exciting year with Edinburgh Rugby!
